

UAS Integration and Maneuvering Flight

Aviation Safety Inspector Brandon Enea will discuss how the unmanned aerial systems will be safely integrated into the National Airspace System. Mr. Enea will also discuss the safety elements of maneuvering flight.

Directions: When traveling north or south on Highway 167, turn west on California, then north of Bond. Davison Hall sits on the NW corner of California and Bond. If driving east or west on Interstate 20, exit at mile-marker 84 and proceed south on Tech Drive. After traveling through three lights turn east on Hergot. Davison Hall is the second building on the south. There is parking all around Davison Hall. Room 113 is where the safety seminar will be held.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
